

Uses for Vancouver Botox® treatments (in Surrey)

A summary of applications for the use of
Botox® Cosmetic

BEAUTIFUL CANADIAN
LASER & SKINCARE CLINIC

Key takeaways:

- Vancouver Botox® treatments (in Surrey) are used on both men and women.
- This product can treat the following aesthetic and medical conditions (see next slides).
- Treatments are all related to muscle contractions in the body.
- Botox® remains a very popular choice for both cosmetic and health reasons.

Face slimming

- Masseter injections to create a slimmer jawline.
- Masseter Botox® treatments can relax the muscle that has grown along the jawline. When this muscle is no longer used as much, it begins to shrink.

Tips for successful results

- Never dilute Botox®.
- Don't focus on 'price per units.' Use the Treat To Complete™ Method at Beautiful Canadian Laser and Skin Care Clinic. Price by area, and use as much as needed.
